

365 Website Design and Development Team

(formerly 435 Website Design Team)

Description & Eligibility

Contestants will create a website based on the topic provided. Any secondary or postsecondary division contestant may enter this judged team event. A team will consist of 2-4 contestants. Teams must be registered for the national competition before the submission deadline and compete in both parts of the event to be ranked. Entries that do not follow the provided topic or the Copyright and/or Fair Use Guidelines and the Artificial Intelligence Usage and Citation Policy will be disqualified.

Topic

Marlowby: Explore Your City, One Box at a Time. Marlowby is a new subscription service that highlights the best local products, small businesses, and cultural experiences from cities across the United States. Every month, subscribers receive a curated box featuring items from a different U.S. city. Marlowby is launching soon, and they need your team to design their official website.

Your goal is to create a website that is visually engaging, easy to navigate, and clearly explains how Marlowby works. Your design should help potential customers understand the service, learn about subscription options, and get excited about joining the Marlowby community.

Key Features to Include:

- Homepage introducing Marlowby and its subscription concept
- Subscription plans or pricing options
- Featured cities or example monthly boxes
- Information about local businesses or products included in boxes
- Customer sign-up or call-to-action to subscribe
- About the company or mission supporting local communities

Team Must Supply

- Device loaded with website for presentation
- Students may use one single-sided laptop, notebook, or tablet for their presentation. Projection equipment and external displays will not be provided or permitted.
- Optional - Props

Contest Specifications for this Event

- Attention must be given to cross-browser capabilities and monitor capabilities. Teams are permitted to use any web development technology or CMS for the website. Examples of these include Microsoft Visual Studio®, Adobe Dreamweaver®, jQuery®, WordPress®, Joomla!®, Drupal®, Wix®, Weebly®, or any templates. Use of original code may be scored higher.
- Team contestants must identify their roles in the development of the website and be prepared to address questions about those roles (i.e. page layout, navigational scheme, graphics, media, coding, compatibility, and content).
- The website must be available on April 1, 2027. If the ISP is unavailable, the advisor will be contacted and given a reasonable amount of time to solve the problem.
- Previously submitted websites used in BPA competition may not be submitted.

Common Specifications for all BPA Judged Events

- This is a pre-submitted event. Regional and state conferences have specific deadlines prior to the national deadlines. Please consult the regional or state conference administrator for those deadlines. For the National Leadership Conference, submit the URL to <https://upload.bpa.org> no later than 11:59 p.m. Eastern Time on April 1, 2027.
- Upload completed projects to a video/file sharing link (Vimeo, YouTube, Dropbox, etc.). Projects must be viewable on Windows and Mac platforms. Set the access level of your project to one of BPA's recommended settings. See the Cloud Sharing Guidelines for additional information.
- An auto-generated confirmation will be provided upon project submission for the National Leadership Conference; individual confirmation cannot be provided. No changes can be made to the project after the date of submission.
- Team ID is required for all submissions. Materials from non-registered contestants and/or those missing Team ID cannot be accepted.
- The team is responsible for securing a signed BPA Release Form(s) from any person, including oneself, whose image or work is used in the project.

- The team is responsible for citing all sources, including oneself, on the Works Cited page for any work used on the project. It is the policy of Business Professionals of America to comply with copyright law.
- The *Style & Reference Manual* contains guidelines for Copyright and Fair Use. Contestants will be disqualified for violations of the guidelines.
- Materials must follow the organization's BPA Graphic Standards and make proper use of the BPA logo and/or organization's name. Refer to the BPA Graphic Standards in the *Style & Reference Manual*.
- Judges' comments will be returned digitally through the online judging system at the national level. Materials submitted for technical judging will *not* be returned and will *not* be available at NLC.
